St. 5 From The K.G.F.

M. 1917/42 dt 22nd Feby. 43, requesting sanction to the payment of uniform allowance of Rs 8/- to each of the A.R.P workers called out on practice days in K.G.F.

The G.O.s quoted by the I.G.P refer to the payment of allowances to the First aiders and Rescue Parties only, called out on Practice Days both in Bangalore City and Mysore City and not to all the A.R.P workers, as stated in the P.U.D. Govt. Bangalore city all the volunteers called out are paid. As such the I.G.P recommends Vocally that the same concession may be shown in Mysore City also and the file was sent to the Director yesterday. K.G.F is only a Class III Town, according to the first Census classification and the only other Class II Town is Bhadravathi. If the concession is extended to K.G.F, perhaps the volunteers at Bhadravathi also may have to be paid. Since the threat of invasion has abated, the I.G.P has been requested in another connection to examine how far the arrangements can be simplified and the paid staff and allowances dispensed with, as ordered by the Govt. Govt. for Poland and others.

As the practices are held at longer intervals the question arises whether paid as Bangalore & Mysore

The question may be considered of those allowances discontinued in Regulars & Reserves may apply to the W.A.R.P. also

Mins 25/2

Pending examination of the arrangements, including the disbandment of the staff & discontinuance of allowances to the extent possible, in the light of the present war situation, I think it is not desirable to extend our commitments. ~~No decision~~ Whether any allowance should be paid to the workers at X.G.J., may be considered after a decision is reached, once for all as to the general question, as any grant now, followed soon after by discontinuance or reduction, if such a course is decided upon, will create an unpleasant feeling.
